SHUTTERNXT- KITCHENS

Give your kitchen the ultimate futuristic makeover with the next generation of light - weight, super-tough glass and aluminium shutters from the house of JB Glass.

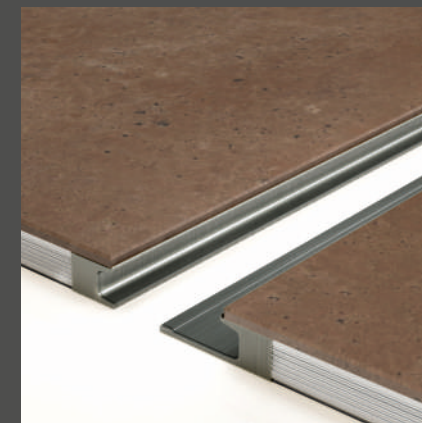

Stronger grip. Softer corners.

Say bye-bye to sharp edges and hello to a more generous and stronger grip.

Different mood, different pull-out

Get the flexibility of pull-outs customised to your needs.

Stylish and covered backing

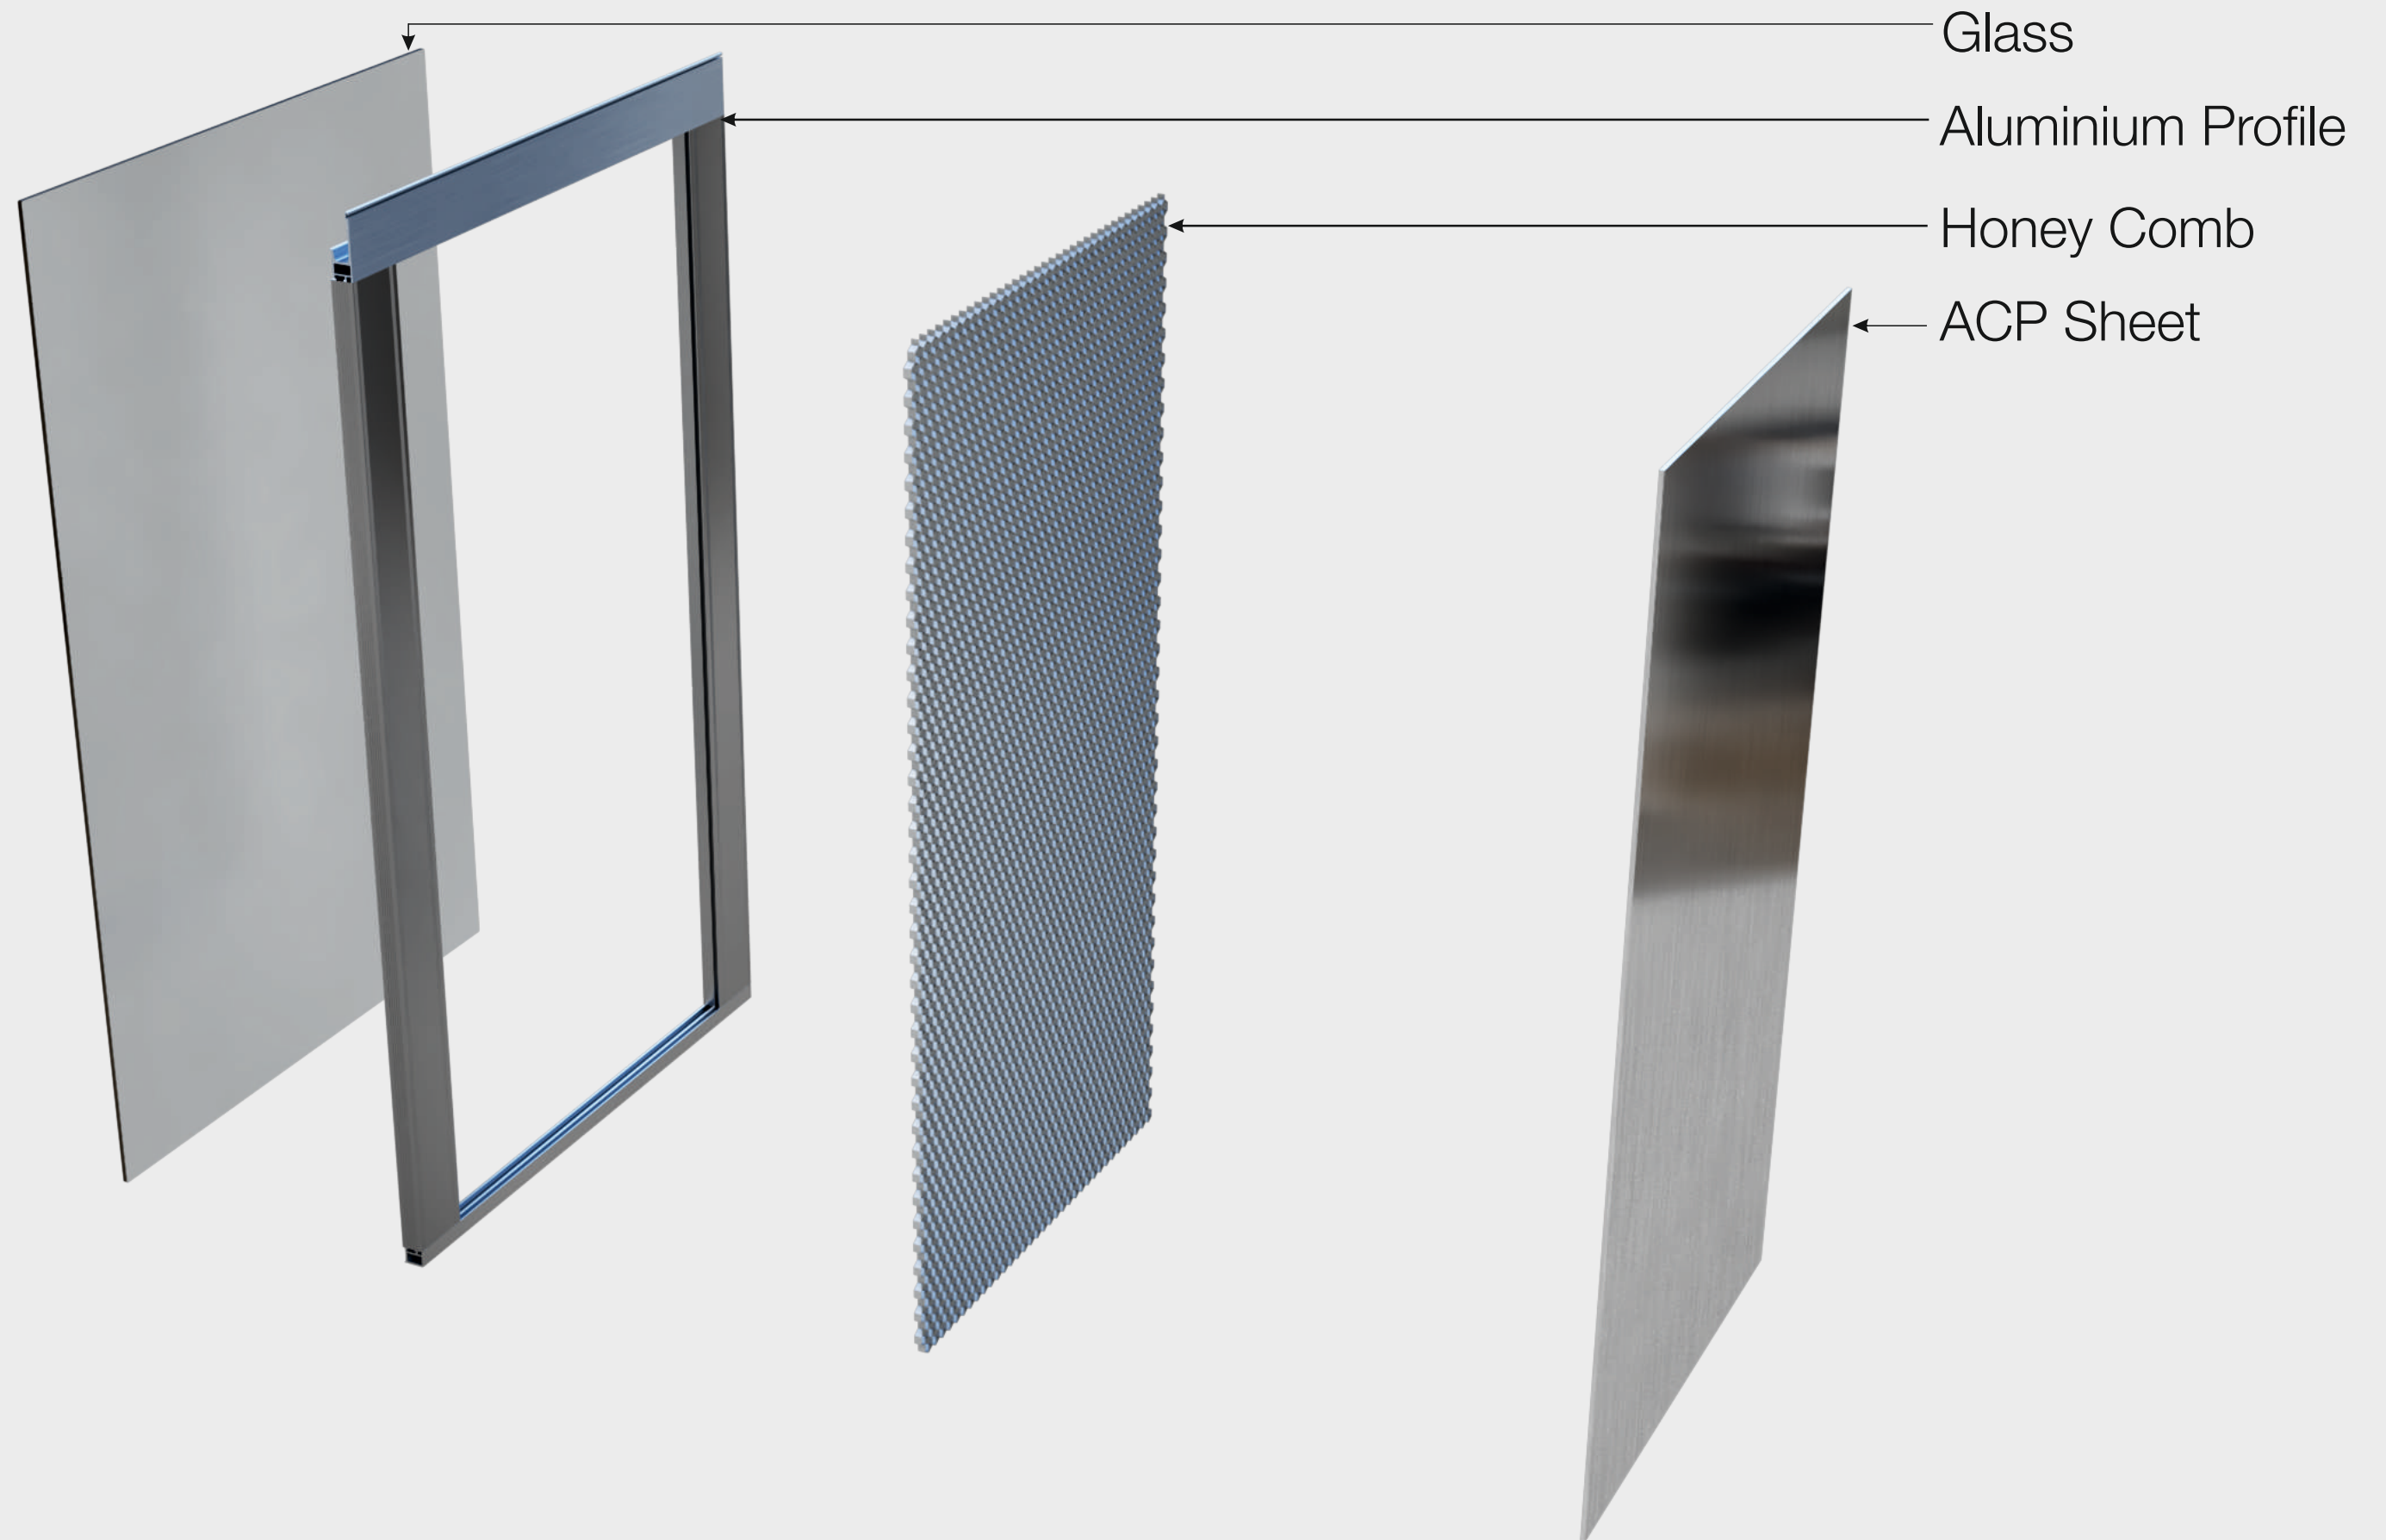

These shutters look as good from the front as they do from the back. After all, true beauty is inside out.

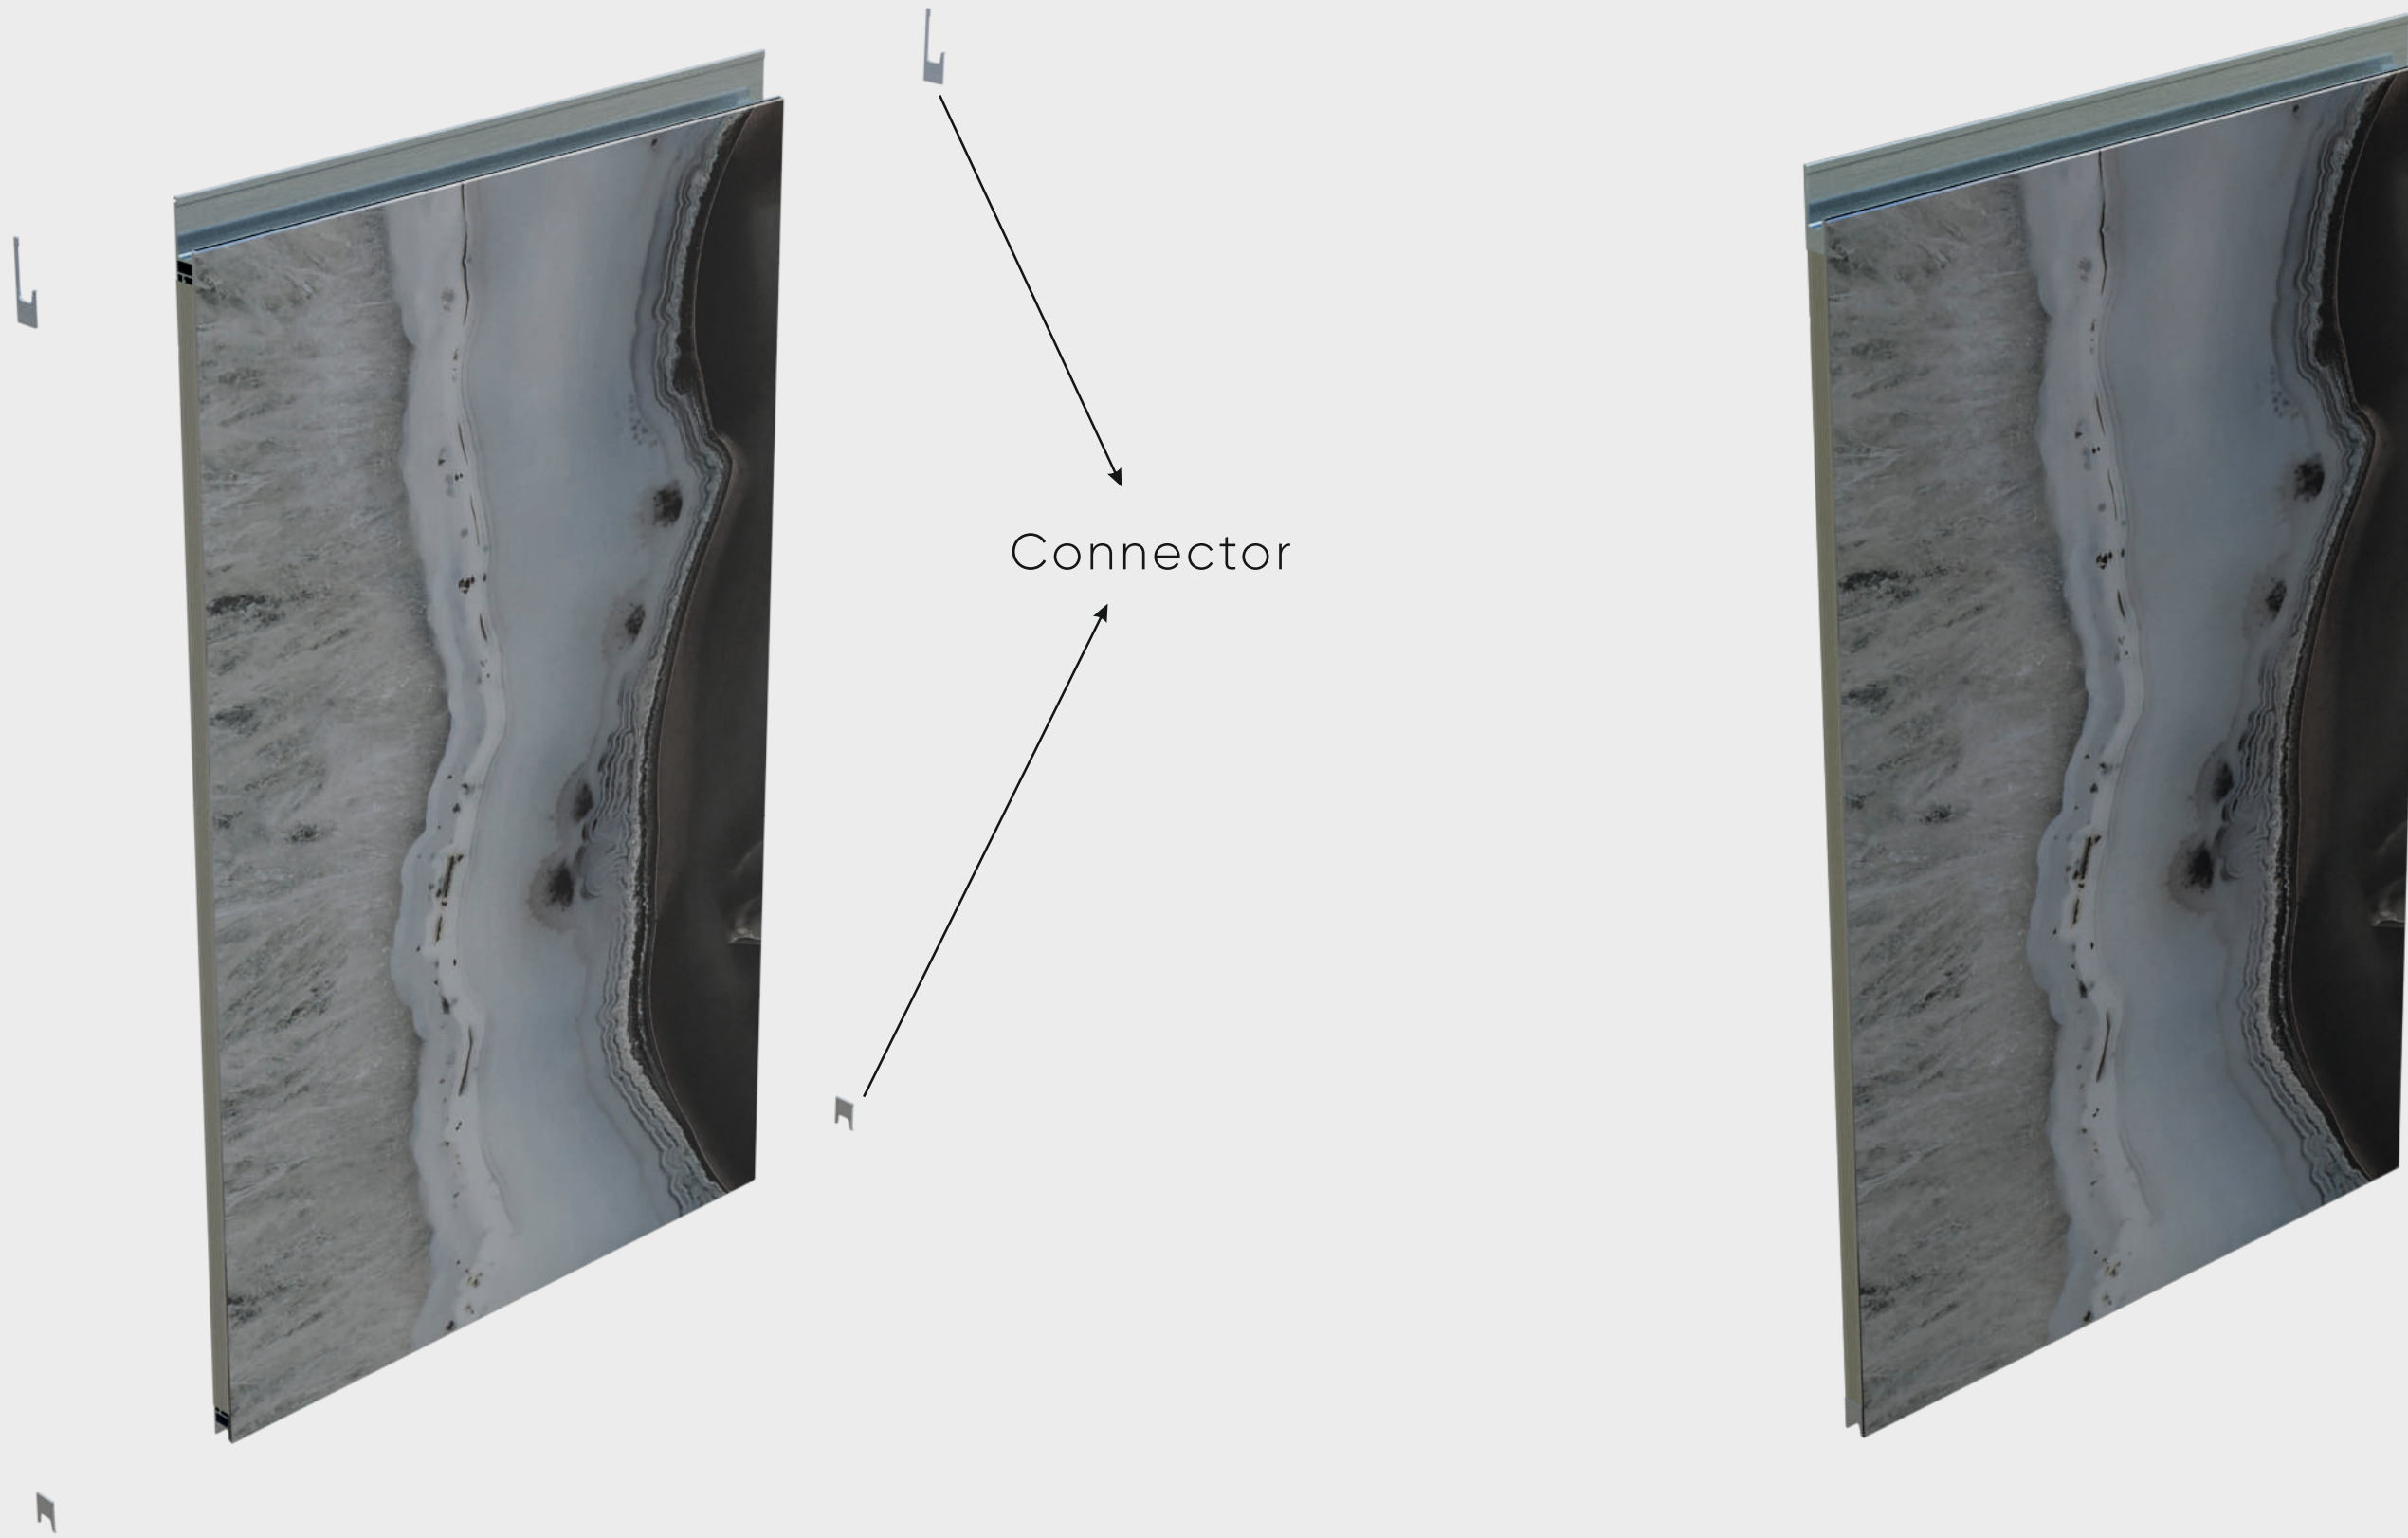

Unmatched strength with honey comb filling

The strongest glass also makes it the safest glass for your home. A special honey comb filling gives these shutters an unmatched strength, while also making them shatter proof.
