JB GLASS

A high ceiling door panel adds a sense of grandeur to your interior spaces and leaves you spellbound. Where on the one hand, these tall doors make a dramatic aesthetic impact, on the other, they are structural and technical marvels.

JB Glass presents its Long Handle Wardrobe collection. Available in heights extending upto 3.3 meters, these are the tallest Aluminium door profiles available anywhere in India. The 3mm slim and continuous profiles run on all four sides, giving the door panels clean and elegant lines. You can choose from our wide and exclusive range of glass types and finishes for the wardrobe doors, to match any interior aesthetic. What's more, we provide long handles and fixtures, which match the profile finish. Our Long Handle Wardrobe collection is guaranteed to give a facelift to your interior spaces.

Glass Finish : Kaffe

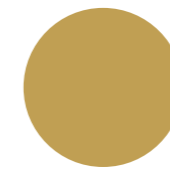

“The details are not the details, they make the design”

- Charles Eames

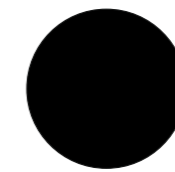

Contemporary, elegant, fluid and functional - our long handle profile is available in four colors to match the glass door panel finish for a seamless look.

Technical Specifications

HINGE DETAILS

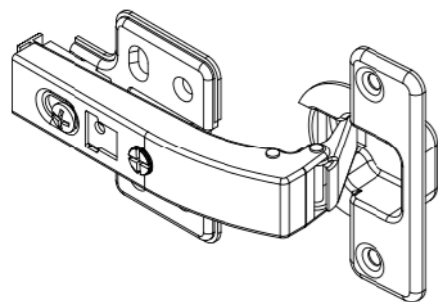

The closing system is equipped with single-face hinged doors.

The size and weight of the door determines the number of hinges to be used.

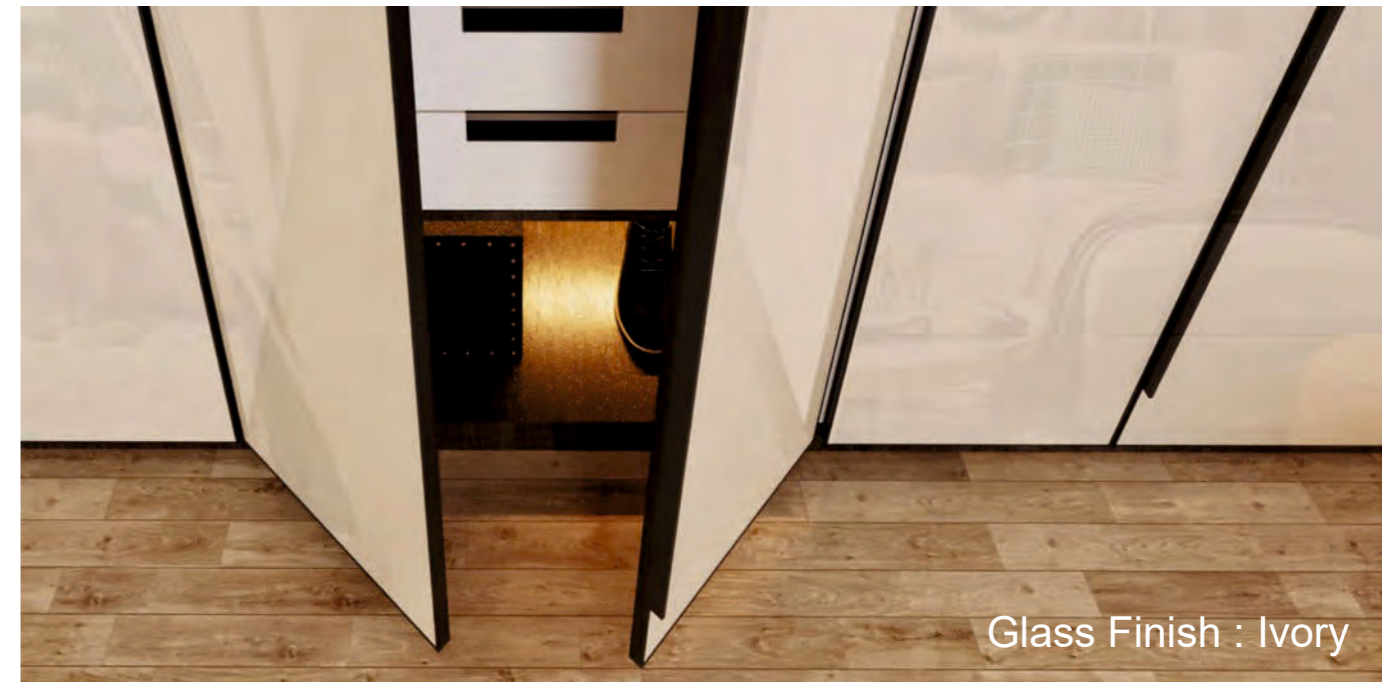

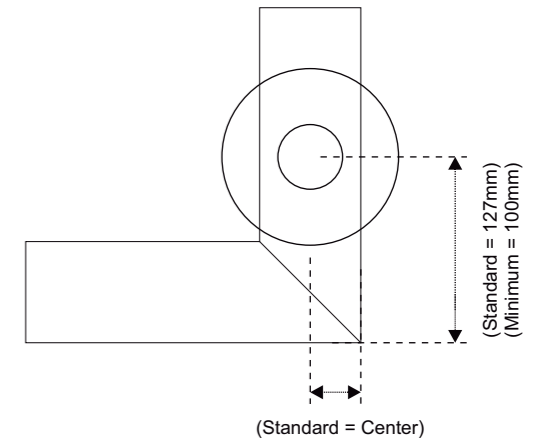

REFERENCE DIAGRAM TO DETERMINE NUMBER OF HINGES REQUIRED AS PER DOOR HEIGHT.

HINGE BORING SPECIFICATIONS

- JB Glass recommends HSM1 (EBCO) hinge type.
- Customer may specify hinge manufacturer and provide boring pattern at the time of placing the order.
- Hinge must have a screw-in type mechanism
- Max. hinge cup depth of 12.7 mm
- Distance of hinge hole from door top and bottom = min. 127 mm.
- Distance from door edge to cup edge = 3 to 9 mm (depending on door profile)

HANDLE DETAILS

- Handle height is 1100mm
- From Bottom 100mm above the panel will stop the handle.

GLASS SPECIFICATIONS

- Glass inserts are 4-5mm thick
- It is tempered safety glass without a tempered logo, unless specified otherwise
- All glass styles have standard max. height of 3000 mm
